

July 15, 2020

Dear Church Family,

Thank you for your patience and support as we have navigated these unprecedented times together. The Staff and Church leadership have worked together to make decisions that are beneficial to our Church Family.

We come now to the time when we can resume in-person worship starting on July 26, 2020. We are very excited to have everyone back to worship together. As we return, there are guidelines set up by the State of Tennessee that we are working to have in place when everyone returns. The list of guidelines is enclosed. Please help us by bringing a mask and adhering to social distancing. We prefer that you bring your own, but we can provide you with a mask if you do not own one. If you have or have had a fever within the prior 72 hours, please wait to return to in-person worship.

At this time, a decision has not been made about returning to Sunday School and other activities. The idea is to begin with the 10:40 am Worship Service and go from there.

Please know that everything that can be done is being done so that everyone feels safe and secure in returning to church. We have missed you and are excited to have our Church Family back together. Please do not feel obligated to come if you are not comfortable returning at this time. Our services will still be available online at [LPBCKnox.com](http://LPBCKnox.com).

Please let us know if you have any questions.

Blessings,

Trey Black  
Senior Pastor

Mack Sanders  
Deacon Chair
